DECLARATION AND POWER OF ATTORNEY

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

METHOD AND DEVICE TO TEST THE OPERATION SAFETY OF A PROCESS POSITIONING DEVICE

Case No. <u>P04,0153</u> , the specification of wh	ich	
(check	is attached hereto. was filed on, as Application Serial No and was amended on (if applicable)	
I hereby state that I have reviewed including the claims as amended by any ame		ntents of the above identified specification,
		Office all information which is known to me with Title 37, Code of Federal Regulations,
before my or our invention thereof, or pater our invention thereof or more than one year in the United States of America more than of been patented or made the subject of an it country foreign to the United States of America more than twelve months prior to this application invention has been filed in any country foreign to the united States of America more than twelve months prior to this application invention has been filed in any country foreign representatives or assigns, except as id	ted or described in any prior to this application, to the year prior to this application, the year prior to this application to the year prior to this application and application filed cation, and that no application to the United States of year to the below:	own or used in the United States of America nted publication in any country before my or hat the same was not in public use or on sale ation, and I believe that the invention has not d before the date of this application in any by me or my legal representatives or assignstion for patent or inventor's certificate on this America prior to this application by me or my
patent or inventor's certificate listed below		
Prior Foreign Application(s) Number	Country	Date
103 20 031.2-32	Germany	May 6, 2003
and have also identified below any foreign a that of the above listed application on which		ventor's certificate having a filing date before
Prior Foreign Application(s) Number	Country	Date
1 (b) Under this section, information is material to precord in the application, and (1) It establishes, by itself or in combinatio (2) It refutes, or is inconsistent with, a posi-	n with other information, a prima	ative to information already of record or being made of facie case of unpatentability of a claim; or

of

⁽i) Opposing an argument of unpatentability relied on by the Office, or

⁽ii) Asserting an argument of patentability.

A prima facie case of unpatentability is established when the information compels a conclusion that a claim is unpatentable under the preponderance of evidence, burden-of-proof standard, giving each term in the claim its broadest reasonable construction consistent with the specification, and before any consideration is given to evidence which may be submitted in an attempt to establish a contrary conclusion of patentability.

If no priority is claimed, I have identified all foreign patent applications filed prior to this application:
